This may change due to field or team blackout dates or to provide referee coverage.

Non-Weather Related Cancellation Policy:

1. Associations are requested to avoid individual game cancellations if at all possible. If a team's coaches cannot attend a game they should try to find a substitute coach and play. Non-weather related cancellations carry a \$20 reschedule fee. If the referees have been assigned the will be a charge of \$8.00. If the referees were in transit to the game the at fault association is responsible for any fees incurred for the referees.,(single game fees, travel fees, and per games fees may apply).
2. Coaches are not permitted to make "outside arrangements" among themselves to reschedule games. If a game must be cancelled the coach shall contact his/her home association a minimum of 72 hours in advance of the game (ex., by 7:00 AM Wednesday for a Saturday game).
3. The association of the team requesting the cancellation shall then contact both the CVRSA scheduler(cdabbott2001@yahoo.com) a minimum of 48 hours in advance of the game (ex., by 7:00 AM Thursday for a Saturday game) so that the referees and opposing team can be notified. It is the responsibility of each association to confirm the cancellation with their team's coach.
4. The make-up game may be scheduled on either association's home field as mutually agreeable between the associations. Failure to play a game is a \$100.00 fine paid by the at fault association.
